General Information

Seating: Our beautiful rammed earth building can sit approx. 80 people inside (air-conditioned), however there is room outside for more. Guests are allowed to mix and mingle outside prior to and after the function meal.

A marquee/teepee/lights may be set up on the lawn, however please do so with consultation as there are restrictions due to the sub-surface irrigation underneath.

Our tables are square or rectangular (tressle tables) and our chairs are café ones. You are more than welcome to arrange for the hire of alternative tables, chairs, decorations etc. from an external source.

Food: We know that everyone has personal food preferences so whether it is arranging a food truck, catering for yourself or bringing in an outside vendor this can easily be accommodated.

Alternatively we are happy to cater for you. Please ask to see our menu options which are just a guide. We can individualise your wedding menu to suit your preferences and tastes. Food costs are in addition to the function charges above and are charged per the finalised number, one week prior.

Music: A band, DJ, musician is more than welcome. For a 70 people wedding, the music/dancing can be inside, however for larger numbers dancing room would have to outside eg. veranda/lawn area.

Sorry we don't cover: Flowers, alcohol, table/room decorations, menu & table cards, PA system, tablecloths, chair covers, wedding cake, or entertainment.

Confirmation of Booking: Upon booking an invoice will be generated and a \$200 deposit is required to confirm the date. Final numbers for food service are required one week before wedding date. Final payment of venue and/or food is required one week prior to event.

We wish you all the best as you plan your wedding. We would love to opportunity to sit down and chat as this is intended to be just a guide and we wish to make your special day memorable. Should you have any queries, please don't hesitate to contact Liz Elliott-Lockhart.
